## RESURRECTION REVOLUTION

Resurrection Revolution is a wonderful, family-oriented event for families with children ages birth through 4th grade. This year, Res Rev is on Wednesday, April 5th and the theme is Growing with God. We are using some really fun and exciting gardening and farming activities to make Easter come alive. This year's Res Rev will include large group exploration, small group exploration, and yummy candy. Registration begins at **6:15pm** in the **Sanctuary** and the event starts promptly at 6:30pm. This is a great event to invite friends and neighbors who need to know about Jesus and why we celebrate Easter!

## CROSTIMBERS (3rd-6th Grades) CAMP

CrossTimbers is June 23rd-26th (Friday-Monday). Registration is open and the cost is \$100 which includes a t-shirt and a \$10 spending card. This year's theme is WHATEVER and our key verse is Philippians 4:8-9, "Finally brothers and sisters, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable—if there is any moral excellence and if there is anything praiseworthy—dwell on these things. 9 Do what you have learned and received and heard from me, and seen in me, and the God of peace will be with you." If you are interested in going as a sponsor (especially guys!!!), please contact Ms. Emily for an application.

## THOUGHT FOR THE MONTH

### **The Biggest Story: How the Snake Crusher Brings Us Back to the Garden** and **The Biggest Story: ABC**

are written by Kevin DeYoung and illustrated by Don Clark. Both books tell how God had an incredible plan of redemption that is shown to us throughout the Bible, from creation through Jesus' return. The ABC board book is designed for preschool age children while the Snake Crusher version is designed for elementary age kids. Both books feature solid theology told through vivid storytelling and gorgeous illustrations. The ABC Board book can be found on Amazon ([here](#)) and the older kids version can be found on Amazon ([here](#)).

Our next Parent/Child Dedication is scheduled for April 30th. Click [here](#) to access the packet with all of the information on why we do Parent/Child Dedication. Use the QR code to the right to access the online training for families participating in the spring dedication.

## FAMILY FUN ACTIVITIES

Majestically Marvelous activities to do with your family in March.

- March 6th is National Oreo Day! Did you know Oreos are the most popular cookie in the whole world? Grab a friend or two and spend time talking and eating a few Oreos together or give a package of Oreos to someone who might be feeling a bit lonely.
- Popcorn Lovers' Day is March 9th. Gather your family around and make some popcorn. If you are feeling very adventurous, try making caramel popcorn or other specialty flavors.
- March 14th is Pi Day! Celebrate by exploring all the items that have the ratio of Pi in them—pretty much anything with a circle! My favorite way to celebrate is to make a pie and share it with someone I love.
- Make Your Own Holiday Day is March 26th. Use this time to create a silly holiday with your family and talk about why we celebrate the holidays we do. For extra fun, explore some of the holidays the Israelites celebrated.
